ALLEGED ATTEMPT ON EL CAPITAN BRIDGE

Some Doubt Whether There Was Intention to Destroy It

SAN TAHARBARA, Oct. 18.-There iffeged plot to dynamite the El Capican bridge, over which President Watt's special train possed early Mon-day morning. The authorities admit that two men are under survei-lance, but they deny that arrests are

Some doubt is expressed as to the story of the expert that the dynamits was bought here, as the stamp on the stuff was found exactly the same as that used by the Southern Pacific workmen who are dynamiting along the coast,

TRYING TO SUSTAIN PRICE OF COTTON

Meeting of Governors of Textile States to Be Held.

SAN ANTONIO, Tex., Oct. 18,-in response to a request from a majority of the governors of cotton growing states, the date for conference to do termine a way if possible to prevent a further decline in the price of cot ion has been changed by Gov. Col. quitt, of Texas, who issued the call from October 23 to Monday, Octobe Govenor Sanders, of Louisiana and several other governors, kave wired that October 30 will be satte actory to them.

There is no doubt but that the gov-ernors will have the best co-operation n the movement and out of the conference, it is expected, will come a well defined effort to strengthen conditions attending every phase of grow-ing, figureing and putting on the market the cotion crop of the south Farmers and farmers' unions in the couthern states endorse the plan, and letters have come from them and from merchants and bankers also, to Governor Colquitt offering their support. Heads of the higgest compress and commission companies have writ-ten him personal letters commenting with unmistakable emphasis upon the very pressing need of such a movement as he has inaugurated.
